

CIS 114, Spring 2004  
Homework Cover Sheet

Print Name: \_\_\_\_\_

The programming assignments are to be completed without assistance from anyone other than the professor or lab instructor. In any case where code is copied from any source, the copied section(s) must be enclosed in comments that indicate the source (for example URL, book with page number, full name of person), as indicated by the following example:

```
// the following code is copied from the textbook, p. 186
```

```
.....
```

```
// end of copied code
```

I have read and understand all of the instructions above.

On my honor, I pledge that I have not violated the provisions of the NJIT Academic Honor Code.
